We will celebrate this new mission statement at the Disciples Connect and Equip (DCE) regional gathering on Saturday, August 10, at Tawakoni.

FROM TINY SEEDS MIGHTY TREES GROW.

2019 PENTECOST SPECIAL OFFERING

A small seed tentatively puts down roots. With proper nurturing, it grows, branching out in all directions, blossoming in time, providing sustenance, shelter and shade.

Through the 2020 Vision of the Christian Church (DOC), the new church movement has already helped our Disciples family grow by nearly 1,000 new and affiliated faith communities.

Our church planters remain committed to answering God's call to serve their neighbors, spread the gospel and make Disciples. They are supported by New Church Ministry.

Won't you help nurture them?

Your gift to the 2019 Pentecost Special Day Offering on Sunday, June 2

and 9 will help fund the new church movement and the bounty it yields.

Each year, half of this offering stays in Kansas to start and uphold new churches. The other half goes to the General Church to support the recruiting, assessing, training and coaching of new church leaders at events like Leadership Academy.

Give today to Pentecost Special Day Offering.

THOUGHTS FROM YOUR REGIONAL MINISTER

WHY WE DO CHURCH CAMP

By Steve Martin

Throughout the history of the churches in Kansas – those who were called Disciples and chose to work together for a greater good— church camp has been one of the constant opportunities for learning and Christian fellowship.

We've all heard the statistics: 90% of our ministers say that they heard God's call at either camp or a retreat. Youth who attend church camp over the years have a better understanding of faith and leadership and their place in God's kingdom. The effects of camp exceed those of Church School (when we had Sunday morning classes). All of these have truth, for sure!

Yet more than simply "becoming better followers of Jesus" – which is in itself a worthy goal, we find that the youth and adults who have been faithful campers are often the very best leaders in their church and their communities. Why would this be?

I believe that something special happens – call it the presence of the Holy - when Christians gather for a shared purpose and build an intentional community for the days they are together on Holy Ground. Meals are more than just food; they are opportunities

for sharing together and hearing one another, discerning together God's values. Recreation becomes Re-Creation as deep friendships are formed and everyone is welcomed and valued. Worship is enhanced, in part due to the setting, in part due to the struggle and growth of campers who prepare and lead, as it becomes the faith community offering up their own gifts of thankfulness and praise. All these together enable the community to sense God's presence in a new way. Magic? No—God's Spirit intentionally sought and experienced.

Summer church camp is all of this and more. Yes, Kansas has an excellent camp program and an excellent facility; we want that to live on for future generations! Those who give leadership as counselors and in other roles are saints investing in God's People for generations to come; many of them experienced this gift as young people. It's the chain of Grace, being passed on through generations. We are always looking for counselors who will "give it a try" for the first time! Information is on the website or call any of our regional ministers to get connected!

2019 CAMP INTERNS NAMED

Camp interns serve the summer camp program in a variety of ways:

- » They are trained and certified as facilitators in the Challenge Course
- » They monitor campfires and grill hamburgers
- » They mow; wash dishes and help with food service
- » Clean the swimming pool and facilities between camp sessions
- » And more!

All of which make summer church camp the great experience that churches want for their young people. Besides all the background tasks, interns help lead all-camp games, fill in for counselors when needed, and are terrific role models for our campers.

For all of this, they earn a modest weekly stipend and if they complete the summer, a significant scholarship toward their ongoing

college education.

For this summer, one previous intern will return: Mason Oswalt of Atchison First CC.

New interns this summer are Grace Mapel, Arkansas City Central CC, Marisa Black, Wellington First CC, and Jordan Howard, Shelton Memorial CC, Ulysses.

Sid Rutland, Independence First CC, will also return in his role as Intern Supervisor.

This team includes great commitments to the church and to the camp experience. We are excited to share their talent with summer campers!

Intern training takes place May 20-25. Interns serve throughout the summer camp program, beginning May 28 with Primary 1, Discovery, and Grand Camp 1, and concluding in early August.

KANSAS DISCIPLES MEN ODYSSEY EXPERIENCE

The 5 annual Kansas Disciples Men’s Odyssey Experience will begin at 7 p.m. Sept 28, at Tawakoni.

Originally conceived as mentorship program, the Men’s Odyssey is an ongoing effort to nurture Christ-like character in men of all ages. The retreat introduces participants to an intentional process of reflecting on eight Christ-like character qualities and scriptural teachings: Compassion, Faithfulness, Generosity,

Humbleness, Respectful, Responsible, Reliable, and Self-Controlled.

Then, participants are encouraged to live out these character traits through a daily act of service.

Participants receive an eight week “Rule of Life” book designed to help them develop the habits of living the character of Jesus in everyday life. They also receive a guide for a monthly men’s Odyssey group designed to encourage men to reflect on the nature of our Lord and Savior.

KANSAS DISCIPLES WOMEN WELCOMES NEW COORDINATOR

Kansas Disciples Women Coordinator, Barb Runge, will retire as of Nov. 1. Runge has served as coordinator for 13 years. A celebration of her ministry is scheduled during the Disciples Women Fall Retreat. (See Retreat Article on Page 3)

Carla Pearson, Galva Christian Church, will take on the role of KDW Coordinator when Barb retires.

The KDW Coordinator in partnership with the cabinet president assists with the planning of regional retreats and events and keeps us connected with the happenings in the General Church through attendance at annual meetings and the Interregional event every 4 years.

“Carla is bringing a wonderful, caring and invigorating personality to this position. The

Cabinet looks forward to working with her,” said Jauna Khan, KDW Cabinet President. “We hope to begin being Women with a mission. We also look forward to planning joint events with the Kansas Disciples Men and have opportunities to work together.”

A lifelong Disciple, Carla grew up in the McPherson First CC where her mother introduced her to Christian Women’s Fellowship. Today, she and her husband Floyd are members of Galva Christian Church where they are active in many areas of the church.

“The women of Kansas have a passion for serving, learning and growing together in Christ’s love,” said Carla. “I am anxious to not only to work with Disciples Women, but Disciples Men as well. I believe together we can do great things and share the love of Christ as we have been called to do.”

Members of Pine Valley Christian Church attended Wichita State University’s 27 annual Midwest Bisexual Lesbian Gay Transgender Asexual College Conference (MBLGTACC), February 15-17, at Century II Convention Center in Wichita. Pictured are Rev. Thom Scott, Muffin Overstreet, Elizabeth Carson (left to right). Over 1,000 college students, staff, and faculty attended this weekend of learning and coalition building.
