

Cupcake Chatter

Kansas Disciples Women - Are you missing your connection with other KDW? Are you wondering how your sisters across the state are doing? Do you have a joy or a concern to share? Are you looking for some time together in prayer?

We're excited to introduce "**Cupcake Chatter**". A time for all women to come together via a virtual Zoom event just to chat and share.

Our first **Cupcake Chatter** will take place on Sunday evening, June 14 at 7:30 p.m. Watch our Facebook page for the log in information on Friday.

It's been a long time since we've seen each other's smiling faces. Please plan to join us on Sunday evening. We'll enjoy some much-needed sharing time and close our time together in prayer.

We hope to make **Cupcake Chatter** a recurring event. Please spread the word. If you have questions, please contact Carla Pearson at carla.pearson58@gmail.com.

Can't wait to see you all on the 14th!

Blessings -
